**Maintenance & Operations Levy (M&O):** Pays for costs not fully funded by state apportionment such as reduced class sizes, staff salaries, student food service, building maintenance, and pupil transportation.

**Technology Levy (Tech):** Pays for items such as computers, wiring, software, licensing, staff training, and infrastructure not paid for by state or federal funds.

**Capital Projects Levy:** Pays for flooring, roofing, safety upgrades, painting, heating/ventilation updates, & other similar needs.

**New Stanwood High School (SHS) Bond:** Pays for all costs of designing and building a new SHS.

Tax Rates beyond 2015 are estimates.  
**Tax Rates in bold have not been approved by voters.**  
 Tax Amount = Tax rate x (assessed property value/\$1,000)

**Levy:** Voter reauthorization every 4-6 years; proceeds collected annually; day-to-day operations & repairs  
**Bond:** May span a term of up to 20 years; proceeds available immediately; generally new construction
